

Test MFA

1e étape

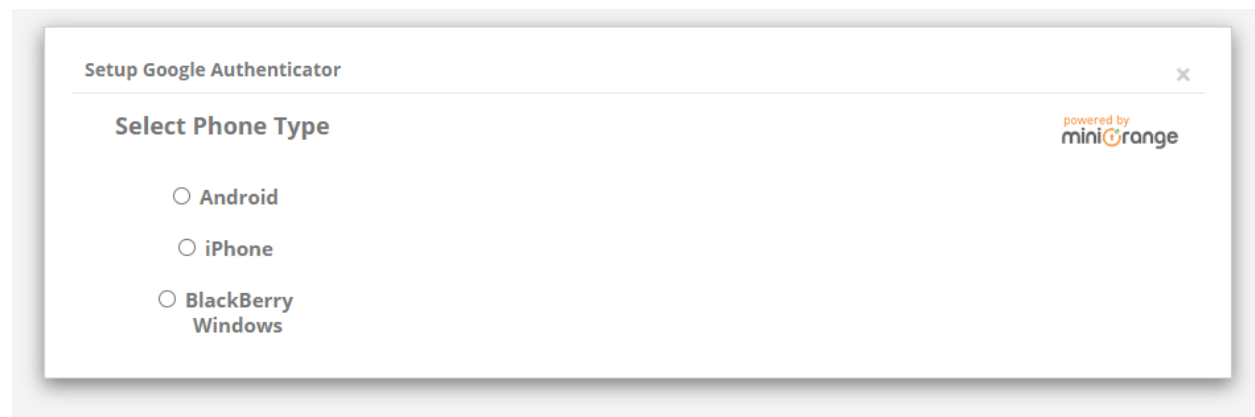

L'email est automatiquement renseigné car c'est celui qui a été utilisé au moment de créer le compte.

Your Requested One Time Passcode.

2e étape: Sélection du type de MFA. Il manque l'option e-mail

3e étape: Scan du QR code et réception du code de vérification sur l'app. J'ai testé avec Microsoft Authenticator et Google Authenticator, les 2 fonctionnent

An error occurred while processing your request. Please Try again.

Select Phone Type

- ☐ Android
- ☒ iPhone
- ☐ BlackBerry
Windows

**Install the Google Authenticator app
for iPhone.**

1. On your iPhone, tap the App Store icon.
2. Search for **Google Authenticator**. [Download from the App Store and install it.](#)

Now open and configure Google Authenticator.

1. In Google Authenticator, tap "+", and then "Scan Barcode."
2. Use your phone's camera to scan this barcode.

[Can't scan the barcode?](#)

Verify and Save

Once you have scanned the barcode, enter the 6-digit verification code generated by the Authenticator app

Code:
969259

Verify and Save

5e étape: back-ups codes et finalisation

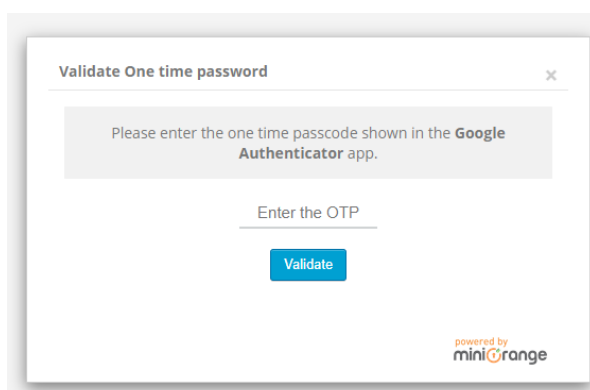

6e étape: Redirection vers une 404

Test de connexion

The image shows a WordPress login interface. At the top center is the WordPress logo, a blue circle with a white 'W'. Below the logo is a white rectangular form with a light gray border. Inside the form, the text 'Identifiant ou adresse e-mail' is above a text input field containing the word 'dummy'. Below this, the text 'Mot de passe' is above a password input field represented by a series of black dots and a blue eye icon for toggling visibility. Under the password field is a checkbox labeled 'Se souvenir de moi'. To the right of the checkbox is a blue button with the text 'Se connecter'. Below the form, the text 'Mot de passe oublié ?' is displayed. At the bottom, there is a link that says '← Go to Vinci Energies UAS Marques'.

The image shows a 'Validate One time password' dialog box. The title bar at the top says 'Validate One time password' with a close button (X) on the right. The main content area has a light gray background with the text 'Please enter the one time passcode shown in the Google Authenticator app.' Below this is a text input field with the placeholder text 'Enter the OTP'. Under the input field is a blue button labeled 'Validate'. In the bottom right corner, there is a logo that says 'powered by miniGrange'.
