Montesson, 8 June 2020

Philippe Conus appointed Director of Innovation at VINCI Energies

Philippe Conus has been appointed Director of Innovation at VINCI Energies.

Philippe Conus joined VINCI Energies as Chief Financial Officer in 2000 and then held operational positions as Managing Director of Fire Safety Activities (Uxello) from 2005 and VINCI Facilities from 2011 to 2017. Since then, Philippe Conus has been Director of the VINCI Facilities brand and the Building Solutions network within VINCI Energies.

He began his career in 1989 at Price Waterhouse, joined Lyonnaise des Eaux in 1994, and worked for automotive supplier ARIES between 1997 and 2000.

Born in 1964, Philippe Conus is a graduate of Sciences Po Paris, Paris-Dauphine and the University of Nancy II.

About VINCI Energies

In a world undergoing constant change, VINCI Energies focuses on connections, performance, energy efficiency and data to fast-track the rollout of new technologies and support two major changes: the digital transformation and the energy transition. With their strong regional roots, agile and innovative, VINCI Energies' business units boost the reliability, safety, sustainability and efficiency of energy, transport and communication infrastructure, factories, buildings and information systems.

2019: €13.75 billion revenue // 82,500 employees // 1,800 business units // 56 countries
